

System Administrators,

- Do not apply the same fix twice. Always check the program to be sure that you need the change.
- Check the Creation-Date on your latest diskette. Based on that date, only apply the fixes that have been prepared since then.
- The Delta Symbol represents spaces when they are critical: $\Delta\Delta\Delta$.
- Zeroes have a dot in the center as follows: 000000.

TECH NOTE # 1209, 07/05/06 **LOW-priority.**

DESCRIPTION: ERR 46 LINE 2204 CAXDTRW1 When Editing Date-Verified in the Employer Window.

TO CHECK: >LOAD "CAXDTRW1" ; LIST 2202

BEFORE:

```
02202 DIM R$(20, " "); PRINT @(40, 2), R$; LET Z9$=DXS$(7, 3), Z9=3, Z8$="", Z8=
