

System Administrators,

- Do not apply the same fix twice. Always check the program to be sure that you need the change.
- Check the Creation-Date on your latest diskette. Based on that date, only apply the fixes that have been prepared since then.
- The Delta Symbol represents spaces when they are critical: **ΔΔΔ**.
- Zeroes have a dot in the center as follows: 000000.

TECH NOTE # 1257, 10/05/07 **LOW-priority.**

DESCRIPTION: ERR 11 LINE 1051 CAZ0320P

TO CHECK: >LOAD "CAZ0320P"; LIST 1051
